Subject New zinc phosphide bird kill

Please see the link below to an incident report in California linked to zinc phosphide.

<http://www.oes.ca.gov/Operational/MALHaz.nsf/f1841a103c102734882563e200760c4a/f0d1fff2782cd12e882573080079a7f6?OpenDocument&Highlight=0,07-3900>

I talked to Stella Borucki of the CA Department of Fish and Game. She said that there were 11 Canada geese killed. They are waiting on the results of pesticide residue analysis, but strongly suspect that it was caused by an application of zinc phosphide that was made on June 18, the day before the dead geese were found.
